**PSYCHOPATHS, LIARS, DEMONS, AND CHILDREN: THE UNRELIABLE NARRATOR**  
**Debut Author Joins the Trending, Most Unreliable Narrators List for Young Readers**

**Chicago, IL [October 4, 2016]**—Manhattan House Publishing & Media is thrilled to announce the upcoming publication of *The Limbo Tree*, a young adult novel by author T.N. Suarez. *The Limbo Tree* will release on October 10, 2016, as a jacketed hardcover, paperback, eBook, and audiobook.

“Unreliable narrators take many shapes and forms,” said Suarez. “Psychopaths, liars, demons, and children are just a few examples.” Suarez continued, “There have been many successful adult titles written with unreliable narration. Readers love to be misled, and I’m beyond excited to share this deceptive read with the young adult audience.”

*The Limbo Tree* tells a story with a paranormal edge in which fate and misfortune collide, spawning an alternate version of reality—that’s when the dark and compelling journey begins. Or does it?

The fallible narrator—brings the big guns to adult novels—guaranteeing a tasty yet uneasy read, leaving you wondering what might happen next. The young adult audience can find the same page-turning, but age-appropriate experience in Suarez’s newly released novel.

“Sorry, teen readers won’t find werewolves or vampires in this mystical read,” Suarez apologized. “But what if when you opened your eyes this morning, it wasn’t the same room you fell asleep in?”

Unfortunately for Suarez’s fourteen-year-old protagonist, Samantha McCallister, that was exactly the case. Bizarre episodes and nightmares consume her until Sam is alienated to a world in which she no longer feels she belongs.

Although *The Limbo Tree* is an enigmatic journey of foreboding self-discovery, new love, and fortitude, the young protagonist’s interpretation of her nightmares are skillfully misleading to the reader. The results are fascinating, as Suarez cleverly delivers a satisfying ending, uncovering Sam’s truth beyond the Limbo Tree. Suarez favorably joins the trending list of successfully written unreliable narratives for young readers.

ABOUT THE AUTHOR—Chicago-born author Tania Nicole Suarez, best known as T.N. Suarez, began her writing career while working as an art director for an advertising agency. She holds a Bachelor of Arts degree in Graphic Design and is an internationally published photographer.
